WHEREAS, Debtor and Agent now desire to amend and restate the Prior Security Agreement into this Agreement in order to reaffirm Debtor's grant to Agent, for the benefit of Agent, Co-Agent and the Lenders, as security for the Obligations (as hereinafter defined), of a first priority interest in the Collateral (as defined in the Prior Security Agreement), to amend the definition of Collateral to include additional Rolling Stock (as hereinafter defined), and to confirm that the terms of the Prior Security Agreement shall have no further force and effect except to the extent necessary to preserve and maintain the enforceability and perfection of Agent's security interest in the Collateral;

NOW, THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Definitions.**

"Guaranty" means the Guaranty dated as of June 30, 1995 by the Debtor in favor of Agent and the Lenders, as the same may be amended, renewed, modified or supplemented from time to time, whereby the Debtor guarantees all indebtedness, obligations and liabilities of every kind of Union to Agent or the Lenders arising under or pursuant to the Credit Agreement.

"Obligations" means any and all existing and future indebtedness, obligations and liabilities of the Debtor to the Lenders or any Lender or to Agent arising under or pursuant to (a) the Credit Agreement, (b) the Rate Swap Agreements to which the Debtor is a party, (c) the Guaranty, and (d) this Agreement.

Unless otherwise defined herein, all capitalized terms used herein shall have the meaning ascribed to such term in the Credit Agreement.

2. **Continuing Security.**

The Debtor reaffirms and acknowledges that this Agreement amends and restates in its entirety the Prior Security Agreement and the Debtor further confirms and reaffirms the continuing security interest granted in the Collateral pursuant to the Prior Security Agreement. All obligations secured pursuant to the Prior Security Agreement shall continue to be outstanding under the Notes. In addition to and not in replacement or substitution of such continuing security interest, to induce the Lenders to enter into the Fourth Amendment and in consideration thereof and of any loans, advances or financial accommodations heretofore or hereafter granted by the Lenders to or for the Debtor's or Union's account, the Debtor hereby conveys, hypothecates, mortgages, assigns, pledges, sets over, delivers, grants and confirms to Agent, for the equal and ratable benefit of Agent, Co-Agent and the Lenders, a continuing security interest in all of Debtor's right, title and interest in, to and under the following, regardless of where located and whether now existing or hereafter arising or acquired:

(a) the goods described in Exhibit A hereto and all other goods of like type hereafter specifically aliened to Agent, together with all replacements thereof, and all accessories,

attachments and accessions now or hereafter acquired or appertaining thereto (collectively, the "Rolling Stock");

(b) all leases and other agreements pertaining to the Rolling Stock and all rights to payment and other rights thereunder, including without limitation accounts, rents, claims, security deposits, contract rights, general intangibles (including payment intangibles), chattel paper, instruments and investment property, but only insofar as the same pertain to the Rolling Stock (collectively, the "Leases");

(c) all supporting obligations, security, guarantees, waivers, deposits and other agreements, instruments and property received by or on behalf of the Debtor in connection with any of the Leases;

(d) all books and records pertaining to the Rolling Stock and/or the Leases;

(e) any balance or share of Debtor in any deposit or other account with Agent; and

(f) all proceeds, including insurance proceeds, of the foregoing and products of the foregoing.

All of the foregoing (collectively, the "Collateral") are pledged and aliened hereunder as security for the prompt payment and the prompt and full performance when due of the Obligations.

3. Representations and Warranties.

The Debtor hereby makes the following representations and warranties to Agent, Co-Agent and the Lenders, each of which shall survive the execution and delivery of this Agreement, and shall continue to be true until termination hereof:

(a) The Debtor is a corporation duly organized and existing under the laws of the State of Delaware and is qualified to do business in every jurisdiction where the nature of its business requires it to be so qualified and where failure so to qualify might materially affect its business or assets, and has all requisite power and authority, corporate and otherwise, to conduct its business, to own its property, and to execute, deliver and perform all of its obligations under this Agreement, the Guaranty and the Credit Agreement.

(b) The execution, delivery and performance of this Agreement and the creation of the liens and security interests provided for hereunder are within the Debtor's corporate power, have been duly authorized by all necessary or proper corporate action, including the consent of the Debtor's shareholders, if required, are not in contravention of any provision of law or of any agreement or other instrument (including without limitation any lease) by which the Debtor is bound or of Debtor's Certificate of Incorporation or By-Laws, and do not require the consent or approval of any governmental body, agency, authority or other person which has not been obtained and a copy thereof furnished to Agent. This Agreement constitutes the Debtor's valid and binding obligation, enforceable against the Debtor in accordance with its terms.

(c) The Debtor is the legal and equitable owner of, and has the authority to grant a security interest in, the Collateral and holds the same free and clear of all liens, charges, encumbrances and security interests and the Debtor has good right and legal authority to grant a security interest in, the Collateral in the manner hereby done and will defend its title thereto against the claims of all persons whomsoever. None of the Leases contain any term or provision that prohibits granting a security interest therein to Agent.

(d) The Debtor's principal place of business and chief executive office are located at the address set forth after the Debtor's name on the signature page of this Agreement. All Rolling Stock is and will be used, located and kept solely within the U.S., except for temporary use in Canada and Mexico.

(e) The Debtor has concurrently with delivery of this Agreement or will have within thirty (30) days of execution of this Agreement provided to Agent a letter listing all lessees of each item of Rolling Stock, and will advise Agent on an annual basis (or more often, as Agent may reasonably request) in writing of any new lessees and any new information relative to existing lessees.

4. **Default.**

Each of the following shall constitute an "Event of Default" hereunder:

(a) if there shall occur any "Event of Default" under the Credit Agreement, as such term is defined therein;

(b) if any of the Collateral shall, in connection with any obligations or asserted obligations of the Debtor, be attached, levied upon, seized in any legal proceedings or held by virtue of any lien or distress where such attachment, levy or seizure would have a Material Adverse Effect.

5. **Termination.** The Debtor acknowledges and agrees that this Agreement shall continue in full force and effect until terminated in accordance with Section 10.4 of the Credit Agreement.

6. **Perfection of Security Interests.**

(a) The Debtor will cause this Agreement, and any assignments hereof and any amendments or supplements hereto or thereto, to be filed and recorded with the Surface Transportation Board in accordance with 49 U.S.C. §11301 of the Interstate Commerce Act and its implementing regulations at 49 C.F.R. 1177.3(c). The Debtor will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by Agent for the purposes specified in the immediately preceding sentence of this Section 6(a). The Debtor will promptly furnish to Agent certificates or other evidence satisfactory to Agent of any such filing, registering, depositing or recording. In addition, the Debtor will upon request by Agent mark any or all items of Rolling Stock with such legend and in such manner as Agent may require.

(b) With respect to Collateral for which perfection of a security interest is governed by the Uniform Commercial Code, Debtor will take all actions necessary to perfect the interests of Agent, on behalf of Agent, Co-Agent and the Lenders, therein, and will take such further actions as Agent may request. The Debtor hereby irrevocably authorizes Agent at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction any initial financing statements and amendment thereto necessary to perfect the security interests of Agent in the Collateral as contemplated under this Agreement. The Debtor also ratifies its authorization for Agent to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto it filed prior to the date hereof. Without limiting the generality of the foregoing, Debtor agrees to mark all items of Collateral consisting of chattel paper with a conspicuous legend revealing Agent's security interest therein. The Debtor will not, unless Agent shall otherwise consent in writing, grant, create or permit to exist any security interest in any Collateral to or in favor of any Person other than Agent.

(c) The Debtor will furnish to Agent, from time to time, upon Agent's request, such evidence as Agent may reasonably require to reflect that all necessary filings and recordings have been made, and other actions taken, to protect the interests of Agent in and to the Collateral.

(d) The Debtor agrees that any financing statements filed hereunder shall remain in full force and effect until this Agreement shall have been terminated even if, at any time or times prior to such termination, the Debtor shall have no outstanding obligations to Agent or the Lenders. Accordingly, the Debtor waives any rights which it may have under Sections 9-509 and 9-513 of the Uniform Commercial Code to file or demand the filing of termination statements with respect to the Collateral, and agrees that Agent shall not be required to send such termination statements to the Debtor, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with Section 10.4 of the Credit Agreement.

(e) Any item of Collateral which is an "instrument" or "chattel paper" (as defined in the Uniform Commercial Code) shall, upon request of Agent, be delivered to Agent immediately upon its receipt by the Debtor. The Debtor will from time to time upon request deliver to Agent any other types or items of Collateral (other than Rolling Stock) which Agent may specify.

7. Maintenance of Rolling Stock; Compliance; Insurance.

(a) The Debtor will at all times maintain the Rolling Stock (other than obsolete Rolling Stock) in good order and repair at its own expense. Except for transfers of items of Rolling Stock effected in the ordinary course of the Debtor's business following substantial damage thereto, the Debtor will not sell, transfer or otherwise dispose of any Rolling Stock without Agent's prior written consent. In the event that any unit of the Rolling Stock shall be worn out, lost, stolen, destroyed, irreparably damaged, transferred as provided in the preceding sentence, or otherwise rendered permanently unfit for use from any cause whatsoever, or taken or requisitioned by a condemnation or otherwise (such occurrences being hereinafter called "Casualty Occurrences"), the Debtor shall inform Agent in regard thereto; such information shall be provided at least annually, and shall also be provided promptly after any time that the number of serviceable units of Rolling Stock falls below 3300. If at any time the number of serviceable units of Rolling Stock aliened to Agent hereunder falls below 3300, the Debtor will within 10

days thereafter identify to Agent substitute items of equipment, which must have a value equivalent to or greater than the affected Rolling Stock and be otherwise satisfactory to Agent in all respects, for inclusion in the Rolling Stock aliened hereunder, so that the total number of serviceable units of Rolling Stock aliened to Agent hereunder shall thereupon equal or exceed 3325. The Debtor will deliver to Agent all supplements hereto and other documents, and take all such other actions, as Agent may require in connection with substitute items of equipment to be included in the Rolling Stock aliened hereunder.

(b) During the term of this Agreement, the Debtor will at all times comply in all material respects with all laws of the jurisdictions in which its operations involving the Collateral may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Collateral, to the extent that such laws and rules affect the title, operation or use of the Collateral, and in the event that such rules or laws require any alteration, replacement or addition of any part on any unit of Collateral, the Debtor will conform therewith, at its own expense; provided, however, that the Debtor may in good faith contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Agent, have a Material Adverse Effect.

(c) The Debtor will maintain or cause to be maintained insurance in such amounts, and against such perils, as Agent may reasonably require from time to time. Notwithstanding the foregoing, the Debtor (i) shall have the right to self-insure for physical damage to or destruction of the Rolling Stock, and (ii) shall not be required to carry insurance coverage of more than \$1,000,000.00 with respect to liability pertaining to the Rolling Stock. Any policies of property insurance covering Collateral shall show loss payable to Agent on such form as Agent may require, and all policies of liability insurance shall name Agent as additional insured. Certificates of such insurance shall be delivered to Agent upon request. The Debtor hereby appoints Agent, in any event at Agent's option, as the Debtor's agent and attorney-in-fact to compromise, adjust and settle all claims under such policies of insurance.

8. Remedies.

(a) Upon the occurrence of an Event of Default, Agent (i) shall have all of the rights and remedies with respect to the Collateral specified in Section 7.2 of the Credit Agreement, (ii) shall have available to it all remedies provided by the Uniform Commercial Code or other applicable law, including without limitation the right to collect money due to the Debtor in respect of the Collateral, to enforce in the Debtor's name or otherwise all rights with respect to the Collateral, and to notify lessees under Leases to make payments directly to Agent, and (iii) may, in addition, take or cause to be taken by its agent or agents immediate possession of the Rolling Stock or one or more of the units thereof, without liability to return to the Debtor any sums theretofore paid and free from all claims whatsoever, and remove the same from possession and use of the Debtor or any other person or entity and for such purpose may enter upon the Debtor's premises or any other premises where the Rolling Stock may be located and may use and employ in connection with such removal any supplies, services and equipment and any available trackage and other facilities or means of the Debtor or otherwise.

(b) In case Agent shall demand possession of the Rolling Stock after the occurrence of an Event of Default and shall reasonably designate a point or points upon the premises of the Debtor or elsewhere for the delivery of Rolling Stock to Agent, the Debtor shall, at its own expense forthwith and in the usual manner (including, but not by way of limitation, giving prompt notice to the Association of American Railroads and all railroads to which any part of the Rolling Stock has been interchanged to return the Rolling Stock so interchanged), cause (i) the Rolling Stock to be moved to such point or points as shall be designated by Agent and shall there deliver the Rolling Stock or cause it to be delivered to Agent and (ii) the Rolling Stock to be moved to such interchange point or points as shall be designated by Agent upon any sale, lease or other disposal of all or any part of the Rolling Stock by Agent. At the option of Agent, Agent may keep the Rolling Stock on any of the premises of the Debtor or elsewhere until Agent shall have leased, sold or otherwise disposed of the same, and for such purpose the Debtor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by Agent, at the Debtor's risk, to permit inspection of the Rolling Stock by Agent, Agent's representatives and prospective purchasers and users. The provisions of this Section 8(b) are an essential part of the agreement between the parties and, upon application to any court of equity having jurisdiction in the premises, Agent shall be entitled to a decree against the Debtor requiring specific performance hereof. To the extent permitted by law, the Debtor hereby expressly waives any and all claims against Agent and the Lenders and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Rolling Stock in any manner.

(c) In exercising its right to sell, lease or otherwise dispose of the Collateral, Agent may sell, lease or otherwise dispose of all or any Collateral at public or private sale or sales, with such notice as may be required by law, in lots or in bulk, all as Agent, in its sole discretion, may deem advisable; such sales may be adjourned from time to time with or without notice. Agent shall have the right to conduct such sales on the Debtor's premises or elsewhere and shall have the right to use the Debtor's premises without charge for such sales for such time or times as Agent may see fit. Agent is hereby granted a license or other right to use, without charge, the Debtor's labels, patents, copyrights, rights of use of any name, trade secrets, tradenames, trademarks, service marks and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in advertising for sale and selling any Collateral and the Debtor's rights under all licenses and all franchise agreements shall inure to the benefit of Agent. Agent shall have the right to sell, lease or otherwise dispose of the Collateral, or any part thereof, for cash, credit or any combination thereof, and Agent and or any Lender may purchase all or any part of the Collateral at public or, if permitted by law, private sale and, in lieu of actual payment of such purchase price, may set off the amount of such price against the Debtor's obligations to Agent or such Lender. The proceeds realized from the sale of any Collateral shall be applied first to the costs, expenses and attorneys' fees and expenses incurred by Agent for collection and for acquisition, completion, protection, removal, storage, sale and delivery of the Collateral; second to fees due to Agent or any Lender; third to interest due upon any of the Obligations; and fourth to the principal of the Obligations. If any deficiency shall arise, the Debtor shall remain liable to Agent and the Lenders therefor.

(d) Any notice of any sale, lease, other disposition or other intended action by Agent shall be reasonable if it is given to the Debtor at least ten (10) days in advance of the intended disposition or other intended action.

9. **Waivers; Amendments; Successors and Assigns.**

(a) The Debtor waives presentment and protest of any instrument and notice thereof, notice of default and all other notices to which the Debtor might otherwise be entitled.

(b) Failure by Agent or any Lender to exercise any right, remedy or option under this Agreement or in any other agreement between the parties hereto, or delay by Agent or any Lender in exercising the same, will not operate as a waiver.

(c) No waiver by Agent will be effective unless it is in writing and then only to the extent specifically stated, and no waiver by Agent on any occasion shall affect or diminish Agent's rights thereafter to require strict performance by the Debtor of any provision of this Agreement.

(d) Agent's rights and remedies under this Agreement will be cumulative and not exclusive of any other right or remedy which Agent may have.

(e) Each party hereto waives all right to trial by a jury in any litigation relating to transactions under this Agreement.

(f) This Agreement cannot be changed or terminated orally.

(g) All of the rights, privileges, remedies and options given to Agent hereunder shall inure to the benefit of its successors and assigns; and all the terms, conditions, promises, covenants, provisions and warranties of the Agreement shall inure to the benefit of and shall bind the representatives, successors and assigns of the Debtor.

10. **General Provisions.**

(a) Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this Agreement.

(b) Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Agreement.

(c) The Debtor covenants, warrants and represents to Agent that all representations and warranties contained in this Agreement shall be true at the time of the Debtor's execution of this Agreement, shall survive the execution, delivery and acceptance thereof by the parties hereto and the closing of the transactions described herein or related hereto.

(d) Except as provided in Section 10.4 of the Credit Agreement, no termination or cancellation (regardless of cause or procedure) of the Credit Agreement or the Guaranty shall in any way affect or impair the powers, obligations, duties, rights and liabilities of the parties hereto in any way with respect to (i) any transactions or event occurring prior to such termination or cancellation, (ii) the Collateral or (iii) any of the Debtor's undertakings, agreements, covenants, warranties and representations contained in this Agreement or the Credit Agreement or the Guaranty, and all such undertakings, agreements, covenants, warranties and representations shall survive such termination or cancellation until all of the Debtor's Obligations of every nature whatsoever shall have been fully paid and performed.

(e) Agent may, in its sole discretion (with the consent of all of the Lenders or Required Lenders, as applicable, as provided in Section 10.1 of the Credit Agreement), (i) exchange, enforce, waive or release any security or portion of the Collateral, (ii) apply such security or any proceeds of the Collateral and direct the order or manner of sale thereof as Agent may, from time to time, determine, and (iii) settle, compromise, collect or otherwise liquidate any such security or Collateral for the Debtor's obligations to Agent and the Lenders in any manner following the occurrence of an Event of Default without affecting or impairing Agent's right to take any other further action with respect to any security or Collateral for such obligations or any part thereof.

(f) The Debtor recognizes that, in the event it fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, any remedy of law may prove to be inadequate relief to Agent; therefore, the Debtor agrees that Agent, if it so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

(g) This Agreement has been negotiated, executed and delivered in and is to be performed in the State of Illinois. The validity of this Agreement and of all transactions provided for herein shall be governed by, interpreted and construed under, and in accordance with, the internal laws (and not the law of conflicts) of the State of Illinois, provided, however, that the parties shall be entitled to all rights conferred by the Interstate Commerce Act and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof or any financing statement shall be filed, recorded or deposited.

(h) If any provision contained in this Agreement is in conflict with, or inconsistent with, any provision in the Credit Agreement, the provisions contained in the Credit Agreement shall govern and control.

(i) This Agreement may be executed by the parties in any number of separate counterparts, and by each party on separate counterparts; each counterpart shall be deemed an original instrument; and all of the counterparts taken together shall be deemed to constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first above written.
